LITTLE CHIEF'S JUNIOR GOLF LIABILITY WAIVER

Golf is a wonderful family sport, and we want everyone playing, juniors included! That being said, safety is the ultimate concern in all Koshkonong Mounds golf operations. Young children on the golf course or practice areas are at risk of unintentionally standing too close to a player's swing path and they may not be aware of other safety factors such as when or where to hold onto the grab rail of a golf car. Due to these and other safety concerns, we encourage you to take care when deciding if you want your child on the golf course, at the driving range, or in a golf car. We do educate everyone in our program about golf safety and etiquette but we still encourage you to be aware of the risks.

Our Policy

- Youth 5 through 12 years of age will be permitted to play and must be accompanied by a responsible adult, who accepts full responsibility for their safety, and behavior and ensure they are not disturbing or slowing the play of others.
• Exceptions to this age limit on PLAYING GOLF may be made, on a case by case basis.
• Only one adult and two children are allowed in a golf car at a time. (All riders must be seated on the golf car seat).
• Never leave a child unattended in the golf car.
• Make sure the parking break is on when you leave the golf car.
• There are steep areas on the golf courses, and GOLFERS HAVE FALLEN OUT OF GOLF CARS. Take caution on hills, bumps, and around corners.
• Golfers must be at least 16 years of age and in possession of a valid driver's license to operate a golf car.
• Any age youth is allowed at the driving nets when accompanied by a responsible adult. Safety is our priority, and we ask that you pay close attention to a child who does not walk too close to anyone swinging.

Koshkonong Mounds C.C. offers a large variety of Junior Golf Programs that will teach youth proper rules, safety, and etiquette.

I understand that no more than two people shall be in a golf car at any time. _____ (Initial) ←
